In the first half-hour of this week's show, I spoke with techno producer **Jake Fairley** about his new album *Touch Not The Cat*, in advance of the release party which took place the following Friday, September 3rd at Revival (783 College St., Toronto).

And then in the last half-hour of the show, Paul Needler aka [Arms Full of Sound](#) visited the studio to present some tracks from his new album, *Air Is The Means*, and to talk about his performance the following Tuesday, September 7th at the relaunched [Ambient Ping](#) music series.
